1 Introduction

This document includes a list of the available documents for the AKKON system. The AKKON system consists of the AKKON USB controller board, the AKKON USB boot loader, the AKKON USB CNC controller kernel and the AKKON Desk, a MS-Windows CNC-application.

Please read the disclaimer at the end of the document

Please note: As the AKKON USB CNC controller kernel is currently under construction information could already not be up to date. For actual information please visit www.burger-web.com

2 Types of documents

No.	Document type	Document abbreviation	Description
1	Technical note	TN	Include principal technical information about the AKKON system
2	Application note	AN	Include examples how to use the AKKON system
3	General note	GN	Include general information e.g. product information etc.
4	Source code	SC	Source code archive
